

**HEALTH IS THE
GREATEST GIFT**

What is HYGI?

Our HYGI Range is nothing short of products that are designed to make people safer and healthier. Our commitment to provide top notch quality products with the assurance of our purity certificate is what gets us out of bed every day. We believe our HYGI range is aimed to meet the contemporary healthcare benchmarks.

What is a Hand Sanitizer?

Hand sanitizer or hand antiseptic is a supplement that comes in gel, foam, or liquid solutions. Hand sanitizer often has a form of alcohol, such as ethyl alcohol, as an active ingredient and works as an antiseptic.

Hand Sanitizer

Product USP

- Does not cause drying of skin
