

A woman with long dark hair, wearing a white sleeveless dress, stands on a sandy beach. She has her arms raised high towards the sky, and her head is tilted back. The background shows the ocean with gentle waves and a clear sky. The image is framed by a decorative border with curved, overlapping bands of green and orange. The text "HEALTH IS THE GREATEST GIFT" is overlaid on the right side of the image in a bold, blue, sans-serif font.

**HEALTH IS THE
GREATEST GIFT**

OTC

What is OTC ?

Our OTC Range is curated carefully to not just raise the benchmark of over the counter products but also maintain a reputation for being the best in it. Our prices and manufacturing process is state of the art we believe that quality upgrades expectations in the pharmaceutical industries.

What is an ORS

Oral rehydration therapy is a type of fluid replacement used to prevent and treat dehydration, especially that due to diarrhea. It involves drinking water with modest amounts of sugar and salts, specifically sodium and potassium. Oral rehydration therapy can also be given by a nasogastric tube.
