A dramatic photograph of a space shuttle launching from a launchpad. The shuttle is ascending vertically, leaving a massive, bright orange and yellow plume of fire and white smoke behind it. The launchpad structure is visible on the right, and the sky is a deep blue with some clouds. The overall scene is one of power and technological achievement.

How to place order by RVLL Celin Community App

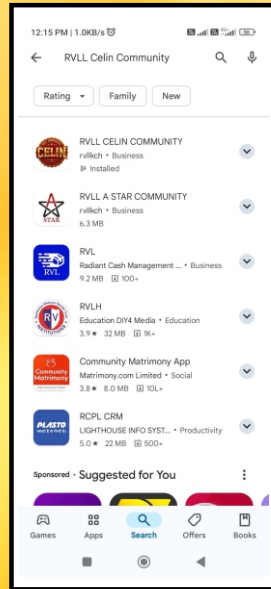

Step - 1

ENROLL Today
and Get Assured
CASHBACK

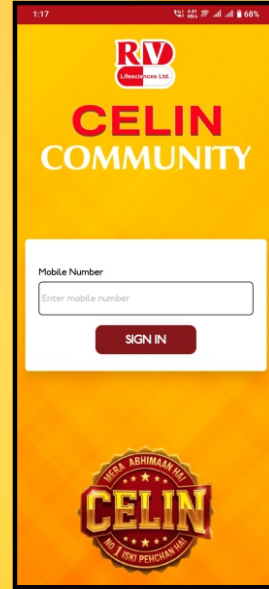

Scan QR Code

Step - 2

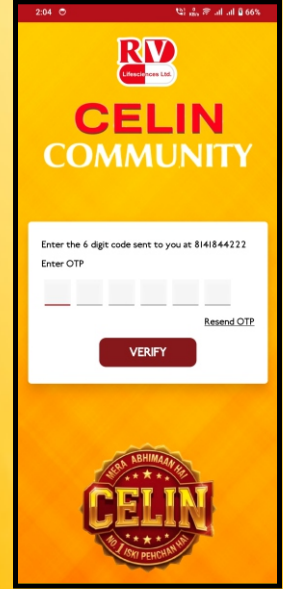

Alternatively, open Play Store, search for "RVLL Celin Community App"

Step - 3

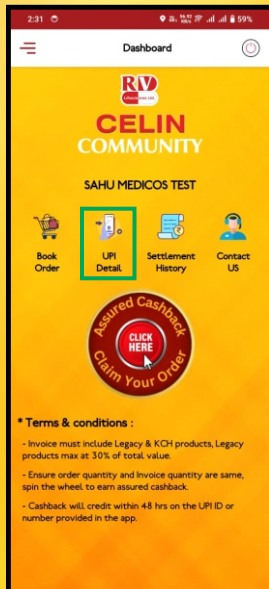

Open the app after installation and enter your mobile number.

Step - 4

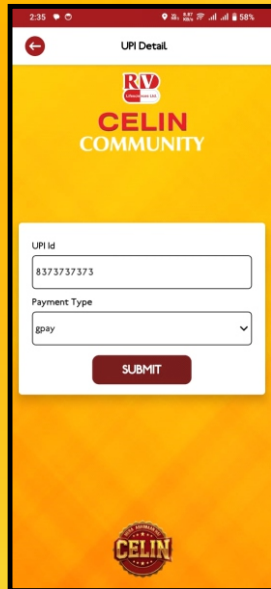

You will receive an **OTP** on your mobile. Enter the **OTP** to log in.

Step - 5

Once logged in, you will see four options:
• **Book Order** • **UPI Details**
• **Settlement History**
• **Contact Us** Click on the UPI Details option to proceed.

Step - 6

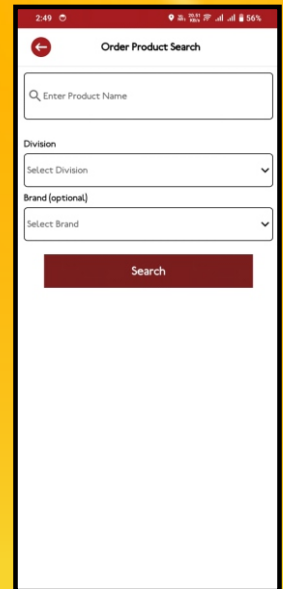

Fill in your **UPI ID** and select **Payment Type**, then click the **Submit** option to save the details.

Step - 7

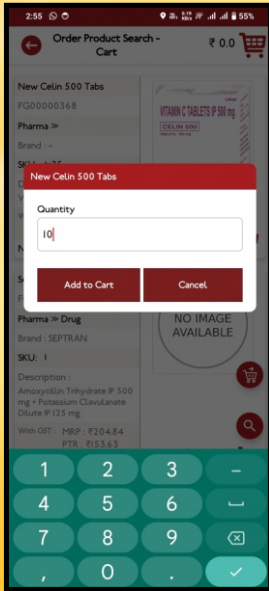

After updating the UPI details, go back to the dashboard and click on the **"Book Order"** option.

Step - 8

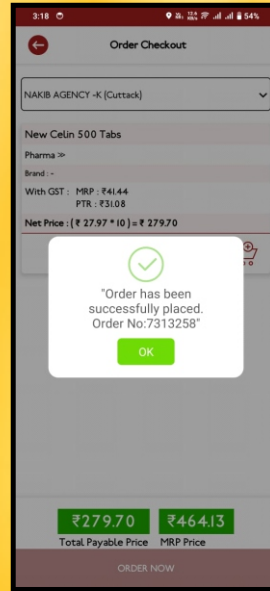

Enter the **product name** and select the **division** for your order.

Step - 9

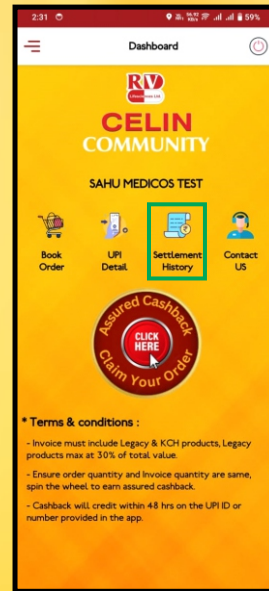

Enter the **quantity** of the product you wish to order.

Step - 10

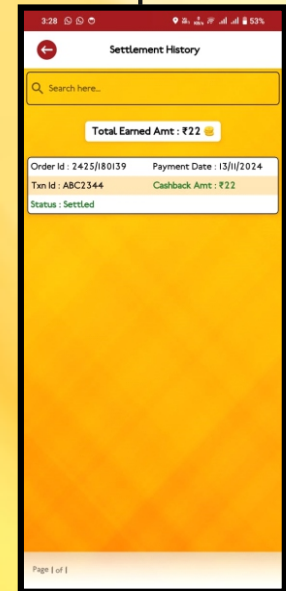

Select the stockist from the list provided for your order.

Step - 11

Go to the Dashboard and select Settlement History to check the status of your order.

Step - 12

Step - 13

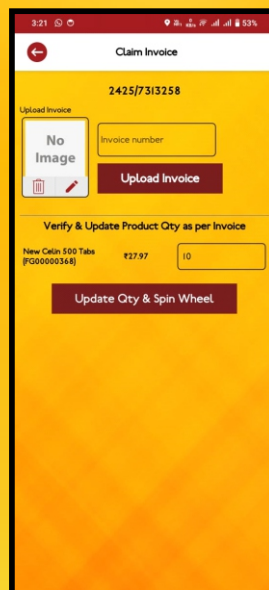

Go to the Dashboard, click on "Click Here" to claim your order.

Step - 14

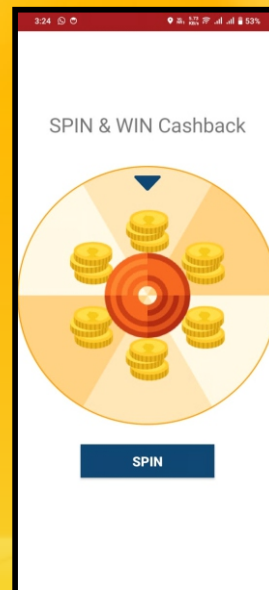

Step - 15

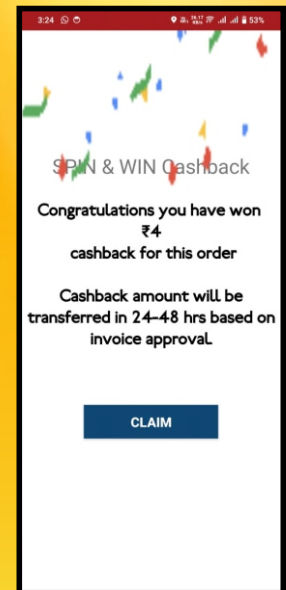

Enter the invoice number, upload the invoice, update the quantity, and then click on Spin the Wheel.

Step - 16

After spinning the wheel, you will see a message: **"Congratulations!**
You have won ₹4 cashback for this order. The cashback amount will be transferred within 24-48 hours based on invoice approval."

Step - 17

Proudly Collaborates

- **No. 1** brand since 2 decades for mouth ulcer
- **100% Herbal, No side effects, Safe for children and pregnant women**
- Quick relief from mouth ulcer, ulcers caused by dental braces and denture sores
- Should be applied with inbuilt applicator 3 to 4 times in a day

Now with long nozzle for better hygiene. DO NOT SHARE.
