How to place order by RVLL Celin Community App

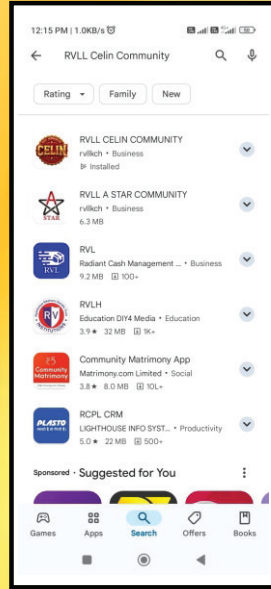

Step - 1

ENROLL Today
and Get Assured
CASHBACK

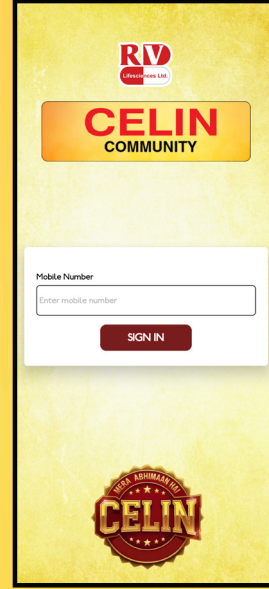

Scan QR Code

Step - 2

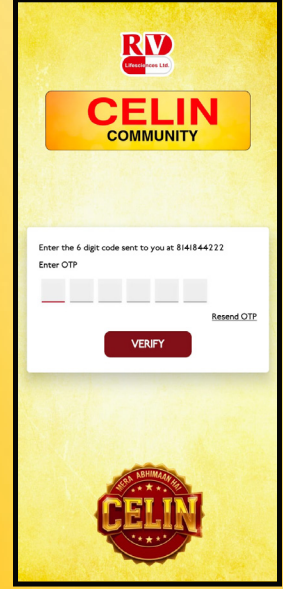

Alternatively, open Play Store, search for "RVLL Celin Community App"

Step - 3

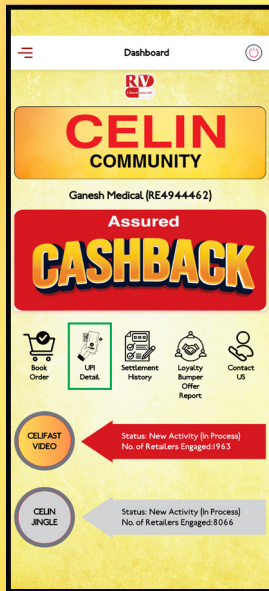

Open the app after installation and enter your mobile number.

Step - 4

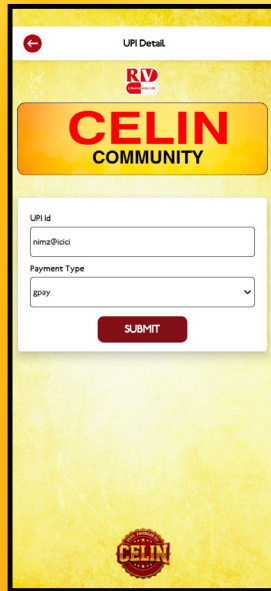

You will receive an **OTP** on your mobile. Enter the **OTP** to log in.

Step - 5

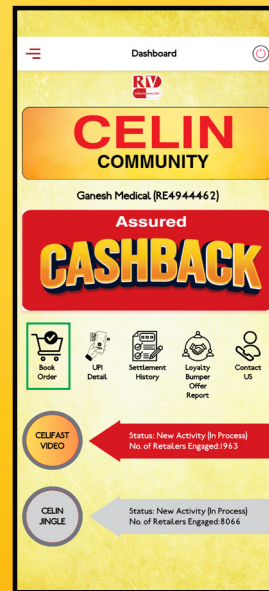

Once logged in, you will see four options:
• **Book Order** • **UPI Details**
• **Settlement History**
• **Contact Us** Click on the UPI Details option to proceed.

Step - 6

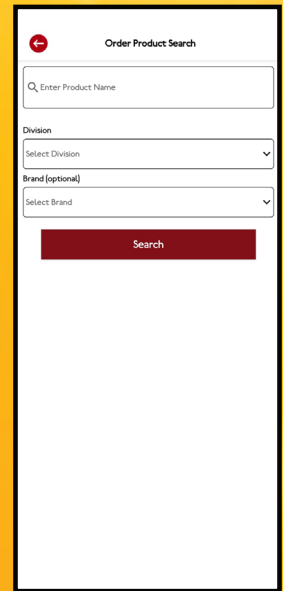

Fill in your **UPI ID** and select **Payment Type**, then click the **Submit** option to save the details.

Step - 7

After updating the UPI details, go back to the dashboard and click on the **"Book Order"** option.

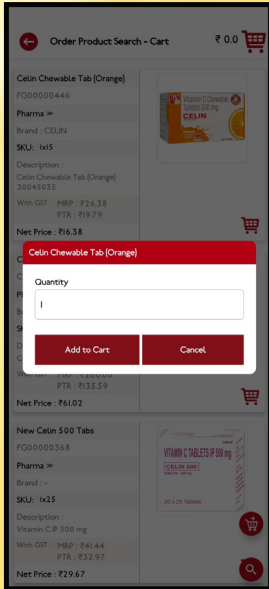

Step - 8

Enter the **product name** and select the **division** for your order.

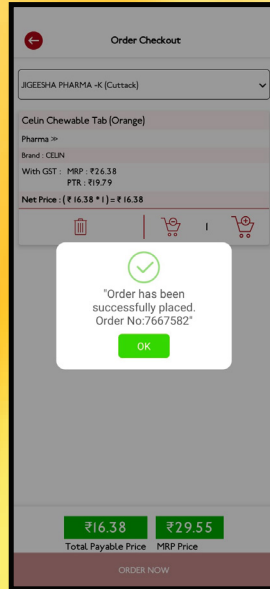

Real Value to Life Through Science

Step - 9

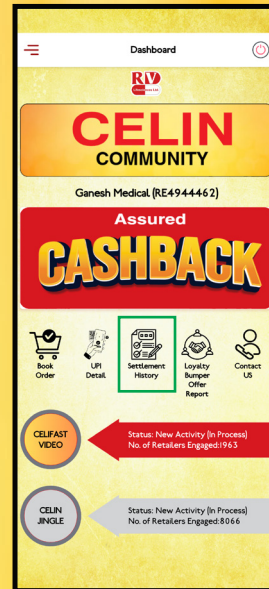

Enter the **quantity** of the product you wish to order.

Step - 10

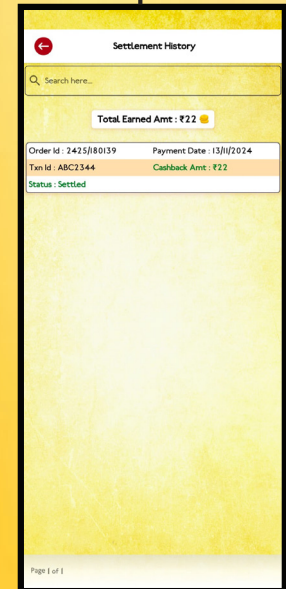

Select the stockist from the list provided for your order.

Step - 11

Go to the Dashboard and select Settlement History to check the status of your order.

Step - 12

Step - 13

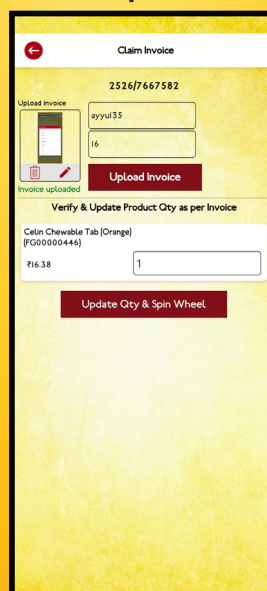

Go to the Dashboard, click on "Click Here" to claim your order.

Step - 14

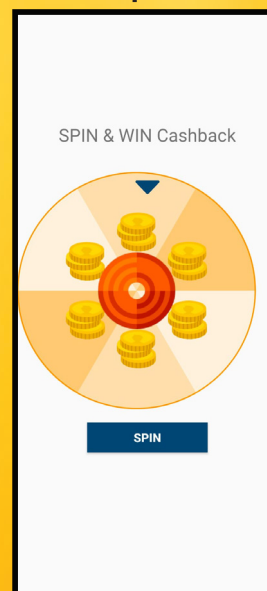

Enter the invoice number, upload the invoice, update the quantity, and then click on Spin the Wheel.

Step - 15

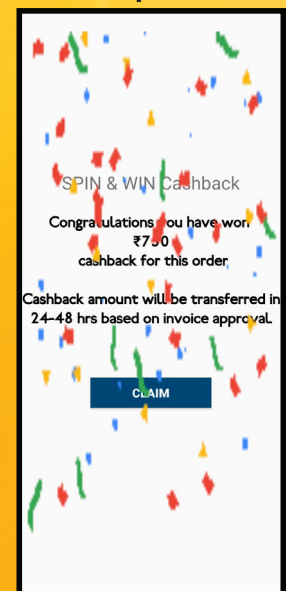

Step - 16

After spinning the wheel, you will see a message: **"Congratulations!**
You have won ₹4 cashback for this order. The cashback amount will be transferred within 24-48 hours based on invoice approval."

Step - 17

To function at our best every day, our body needs three non-negotiables
ENERGY, STAMINA & FOCUS

3 Foundation Pillars of Daily Health

Body feels tired the day begins.

जब दिन शुरू होने से पहले शरीर थका हुआ लगे...

If, Even Rest Can't Reboot.

आराम के बाद भी तरोताज़ा नहीं लगता...

ENERGY
(ऊर्जा)

Illness like cold flu that once passed quickly, now take time to heal.

साधारण बीमारियाँ खासी जुकाम भी अब समय लेते हैं ठीक होने लगे...

Climbing Stairs Feels Like Climbing Everest.

सीढ़ियाँ चढ़ना एवरेस्ट फतह करने जैसा लगे...

STAMINA
(आंतरिक ताकत)

Forgetting small daily tasks.

छोटी-छोटी बातें भूल जाते हैं...

Start Many Tasks but Finish None.

अक्सर कई काम शुरू होते हैं, पर पूरा कोई नहीं होता...

FOCUS
(एकाग्रता)

Body's Daily Warning Signs

शरीर द्वारा दिए गए
के थकावट के संकेत

Internal Power Signals

थकावट से पहले शरीर
की चेतावनी

Mind's Way of Asking for Support

मानसिक थकान के छिपे
हुए संकेत

Real Value to Life Through Science

CELIN GOLD

Offers Comprehensive
Health Benefits

Advanced Antioxidant + Multivitamin + Multimineral + Amino Acid Formula

More than a Multivitamin..., it's Complete ESF Nutrition

Energy

Boosts energy with
herbal adaptogens
and B-vitamins

- **Taurine** - Muscle performance
- **Ginseng Extract** - Improves mental and physical endurance
- **Vitamin B Complex + Iron + Magnesium** - Supports neuromuscular balance and fights tiredness

Stamina

Enhances stamina
with amino acids
and antioxidants

- **Branched-Chain Amino Acids (BCAAs) + L-Leucine, L-Isoleucine, L-Valine** - Support muscle recovery
- **L-Lysine + L-Threonine + DL-Methionine** - Supports bone strength, and stamina
- **Vitamin C + D3 + Zinc + Selenium** - Combination supports endurance and fast recovery from infections or Fatigue

Focus

Improves focus with
neuro formula and
mood support

- **Omega-3 Fatty Acids** - Support memory, brain function, and concentration.
- **L-Tryptophan + L-Phenylalanine Biotin + Folic Acid + Iodine + Vitamin A** - Promoting mental clarity, motivation, and emotional stability. Brain cell production, and cognitive performance in all age groups

“Roz Ki Zindagi Ka Roz Ka Support – CELIN GOLD”

Real Value to Life Through Science

1. **Taurine:** Taurine enhances muscle performance and delays fatigue during exertion. Ref: Zhang et al., J. Appl. Physiol., 2004 2. **Ginseng Extract:** Ginseng boosts mental clarity and physical endurance. Ref: Reay et al., Psychopharmacology, 2005 3. **Vitamin B Complex + Iron + Magnesium:** These nutrients help energy metabolism, reduce tiredness, and support neuromuscular function. Ref: NIH – Micronutrient Info Center 4. **BCAAs (L-Leucine, L-Isoleucine, L-Valine):** Support muscle repair, endurance, and exercise recovery. Ref: Shimomura et al., J. Nutr., 2006 5. **L-Lysine, L-Threonine, DL-Methionine:** Essential amino acids for tissue repair, bone strength, and stamina. Ref: Wu G., J. Nutr., 2009 6. **Vitamin C, D3, Zinc & Selenium:** Key immune nutrients that help faster recovery from illness and fatigue. Ref: Gombart et al., Nutrients, 2020 7. **Omega-3 Fatty Acids:** Improve memory, brain health, and attention span. Ref: Swanson et al., Adv. Nutr., 2012 8. **L-Tryptophan, L-Phenylalanine, Biotin, Folic Acid, Iodine, Vitamin A:** Support mood, motivation, and brain function across age groups. Ref: Benton D., Br. J. Nutr., 2007
